Using a shared screen. Let the tutor highlight one small part of the text and then remove the highlight. The learner should have an unobstructed view when online Quran tuition UK taking their turn. Ask the learner to locate the same point on their own copy. A screen pointer can conceal a mismatch between editions.

Ending with a learner demonstration. Give the last turn to the learner. Ask them to show one thing they can now do and to tell the teacher which part still takes effort. Write the learner's own question on the practice card. Begin the next session by returning to that question.

Keep the two observations separate in the lesson record. If the learner needs help with ending with a learner demonstration, return virtual quran tuition uk to that exercise next time even if the first went smoothly.
