Deep Dive: The Four Crazy Time Bonus Rounds

Triggering a perk round carries gamers from the primary studio into a secondary digital or physical mini-game. This is where the game really makes its name.

Coin Flip

This is the easiest and most regular perk round. The host steps up to a device that flips a coin with a **Red** side and a **Blue** side.

- Before the flip, random multipliers are appointed to each side of the coin.
- Whichever color lands deal with up figures out the winning multiplier for all gamers who bank on Coin Flip.

Money Hunt

Money Hunt takes gamers to a massive digital screen featuring a shooting gallery filled with 108 random multipliers.

- Each multiplier is concealed behind a different symbol (such as a cactus, target, or chef's hat).
- Players are given a minimal time to aim and fire a cannon at a symbol of their option.
- Once time ends, the hidden multipliers are revealed, and each player gets the multiplier behind their picked target.

Pachinko

Influenced by the standard Japanese arcade game, Pachinko features a big physical board filled with pegs.

- The host drops a radiant puck from the top of the board.
- The puck bounces randomly down through the pegs up until it lands in among several multiplier slots at the bottom.
- If the puck lands on a **"Double"** worth, all multipliers at the bottom of the board double, and the host drops the puck once again for even larger wins.

Crazy Time

The holy grail of the game, the **Crazy Time** perk round, leads players behind a red door into a lively, surreal virtual world including a huge 64-segment wheel.

- Players should choose among 3 flappers: **Green, Blue, or Yellow**.
- The host presses a giant red button to spin the wheel.
- Whichever segment the chosen flapper indicate is the multiplier the gamer wins.

- Similar to Pachinko, this wheel consists of **"Double"** and **"Triple"** segments, which can send multipliers skyrocketing up to the game's maximum limitation of 20,000 x or 25,000 x.
