What is Crazy Time?

Introduced in June 2020, Crazy Time is a live online video game show developed around an enormous, vibrantly colored, 52-segment mechanical wheel. Operated by a charming live speaker in a vibrant, studio setting, the video game combines easy wagering mechanics with four unique, extremely unforeseeable reward video games.

Unlike conventional casino video games where gamers bet the house in a solitary environment, Crazy Time fosters a shared community experience. Countless players from around the world can take part in the exact same video game round, chat with one another, and celebrate wins together in real-time.

The Core Wheel Segments

Before each spin, gamers put bets on where they believe the wheel will stop. The wheel contains numbers that pay even cash or much better, along with segments that activate the benefit rounds.

Wheel Segment Payment/ Action Likelihood (Approximate) **1** Pays 1 to 1 ~ 39.23% (21 sectors) **2** Pays 2 to 1 ~ 25.00% (13 sectors) **5** Pays 5 to 1 ~ 13.46% (7 sectors) **10** Pays 10 to 1 ~ 7.69% (4 segments) **Coin Flip** Triggers Bonus Round ~ 7.69% (4 sections) **Cash Hunt** Sets Off Bonus Round ~ 3.85% (2. sectors) **Pachinko** Triggers Bonus Round ~ 3.85% (2 sections) **Crazy Time** Triggers Bonus Round ~ 1.92% (1 section)

The Top Slot Feature

Including an additional layer of anticipation to every single round is the **Top Slot**, a two-reel mini slot device positioned directly above the main cash wheel.

As the live host motivates gamers to position their bets, the Top Slot spins concurrently with the primary wheel. It generates:

1. **A Bet Spot:** One of the wheel numbers or benefit games.
2. **A Multiplier:** A multiplier worth varying from 2x approximately 50x.

If the main wheel stops on the precise bet spot that aligns with the Top Slot's choice, the multiplier is used to that win. For basic numbers, the payment is multiplied. For bonus rounds, the multipliers apply to the preliminary worths inside the reward game, setting the phase for possibly massive payments.

The Four Immersive Bonus Rounds

The real body and soul of Crazy Time are its 4 interactive benefit rounds. Whenever the wheel lands on a reward sector, all players who positioned a bet on that particular section get to participate.
