3. **Browse to the Live Casino section**-- Locate the Evolution Gaming banner.
4. **Select Crazy Time**-- The game window will show a **"Free Play"** toggle. Click it.
5. **Load the demo**-- The live-dealer video stream will start, however the balance is virtual (typically 10,000 "play credits").

Pointer: If a casino does not offer a complimentary version, attempt the Evolution Gaming **main demo website** (evolution.com/en/live-casino). It streams the same live feed utilized by partner casinos, but just the demonstration mode is readily available there.

3. How the Free-Play Mode Works

FunctionReal-Money ModeFree-Play Mode **Balance**Genuine cash (minimum deposit varies)Virtual credits (commonly 10 000) **Bet size limits**Set by gambling establishment (e.g., EUR0.10-- EUR100)Same limits as real-money mode, but using credits **Payments**Credited to the player's cash walletContributed to the virtual credit balance **Cash-out**Withdrawable (subject to KYC)Not possible-- credits reset when you leave the table **Perks & & promotions**Qualified for welcome/loyalty bonusesNot eligible-- benefits use just to genuine cash **RNG vs live**Live video feed (genuine spin)Live video feed (identical spin)

The crucial distinction is *economic*: the wheel spins **precisely the exact same** in demonstration mode, implying the chances, RTP (return-to-player), and bonus-round probabilities correspond the real-money variation. This makes free play a reliable sandbox for screening techniques.

4. Crazy Time Basics-- The Wheel and Main Segments

The Crazy Time wheel contains **54 equally spaced segments**. The 8 **primary sections** (the ones that award a money payout instantly) are:

SegmentColorCommon Payout (x Bet)1Red1:12Blue2:15Yellow5:110Green10:1Crazy Time (Bonus)PurpleVariable (up to 20,000 ×)Coin Flip (Bonus)Orange2-to-1 on the proper sideCash Hunt (Bonus)Pink1-to-10 per concealed multiplierPachinko (Bonus)Light BlueApproximately 100 × the bet

Throughout a spin, the wheel lands on **one** of the 54 segments; if it arrive at 1, 2, 5, or 10, the player receives the indicated reproduction of the quantity bet on that particular section. If a bonus sector appears, the corresponding mini-game starts.

5. Bonus offer Games-- What to Expect in Free Play

The 4 bonus offer rounds are where Crazy Time separates itself. Below is a concise description of each, useful for a quick tactical recommendation.

Bonus GameCore MechanicGreatest Possible MultiplierNormal Average Return * **Coin Flip**A virtual coin is tossed; gamers bank on **Red** or **Blue**.2:1 (if you thought correctly)1.00-- 1.02 × (depends upon bet circulation) **Cash Hunt**A 5 × 5 grid of concealed multipliers (1-10 ×). A cannon shoots a ball that arrive on a random cell.10 × (per individual bet)1.09 × **Pachinko**A ball drops through a peg board; it bounces into one of 16 pockets, each with a distinct multiplier varying from 5 × to 100 ×.100 ×1.31 × **Crazy Time**An enormous wheel with 54 sectors, a lot of which hold enormous multipliers (as much as 20,000 ×).20,000 × (uncommon)1.50-- 1.60 × (the most financially rewarding benefit)

* These averages are based upon Evolution Gaming's released RTP of **96.08%**, with the bonus rounds providing the bulk of the return.

Free-play implication: All bonus spins are activated by the live dealer in exactly the very same way similar to genuine cash, so you can determine the frequency of each bonus and observe how the wheel acts over a large sample.

6. Step-by-Step Guide to Playing Crazy Time Free

1. **Visit to a gambling establishment that offers the demonstration.**
2. **Select your virtual balance** (frequently 10 000 credits).
3. **Set your bet amount** using the slider or input field. You may place numerous bets on different segments simultaneously.
4. **Click "Spin"**-- the wheel stimulates, the dealership "spins" the wheel, and the result is shown in real time.
5. **Gather the payment** automatically added to your credit balance.
6. **If a benefit appears**, the dealer will launch the mini-game. You'll be triggered to put a new bet (still utilizing credits) before the bonus offer starts.
7. **Repeat** until you decide to stop; the demo session ends when you close the window or log out.

Because every spin is live, you also gain from the **chat window**, where you can communicate with the host and other gamers-- exactly as you would in a money game.

7. Strategic Tips for Free Play (and Later Real Money)

While Crazy Time is basically a video game of chance, free-play experiments can expose patterns and comfortable betting designs. Below are actionable methods originated from common gamer approaches.

7.1 Flat-Betting the Main Segments

- **How it works:** Place the exact same modest bet on the 4 number sections (1, 2, 5, 10) each spin.
- **Why it's helpful in complimentary play:** It lowers difference, making your virtual balance last longer, allowing you to collect sufficient data on spin distribution.
- **Potential outcome:** With an even spread out, the anticipated return approximates the core RTP of 96% (ignoring rewards).

7.2 "Cover-All" Technique

- **How it works:** Bet a small amount on **every** section, including the four reward wheels.
- **What you'll see:** Because the bonus offer wheels have higher average returns, this method leans on the "long-term edge" of the bonus offers.
- **Free-play benefit:** No risk of blowing your credit balance, so you can experience multiple bonus offer rounds and see their impact on general success.

7.3 Bonus-Focused Staking

- **How it works:** Place larger bets **only** on the benefit sections (Coin Flip, Cash Hunt, Pachinko, Crazy Time).
- **Why it might settle:** When a bonus lands, the prospective multipliers dwarf the main-segment payouts.
- **Care:** In the demonstration you can pay for high volatility; in money mode, bankroll management is vital.

7.4 Timing the Wheel

Although the wheel is spun live, some gamers enjoy for **"hot wheels"**-- periods where a particular sector lands more regularly. In totally free play, you can check whether such clustering in fact occurs or if it's simply the brain's pattern-recognition predisposition.

Takeaway: Use complimentary play to test each of the above approaches, track the outcomes, and decide which feels most comfortable before transitioning to genuine cash.
