3. Pachinko

Inspired by the conventional Japanese arcade video game, Pachinko is everything about gravity and anticipation.

- **The Setup:** A big Pachinko wall filled with a grid of physical pegs is displayed on screen. At the bottom are numerous landing zones, each featuring a multiplier.
- **The Action:** The video game host drops a glowing puck from the top of the board. As the puck bounces randomly down through the pegs, it eventually settles into one of the bottom multiplier zones. If the puck lands on a "DOUBLE" zone, all the bottom multipliers double, and the host drops the puck once again for even bigger wins.

4. Crazy Time

- **The Action:** The player chooses among the three flappers before the wheel spins. When the wheel stops, the gamer wins the multiplier suggested by their selected flapper.
