- **The Balanced Approach:** Utilize the double bet feature. Place a big stake on the very first bet with a low auto-cashout (e.g., 1.50 x) to cover the expense of both bets, and a little stake on the second bet to chase after greater multipliers (e.g., 5.00 x or greater).

2. Bankroll Management Rules

- **Set a Budget:** Decide how much money you want to invest before you begin playing, and never surpass that limitation.
- **Never Ever Chase Losses:** If you experience a losing streak, resist the desire to increase your stake sizes to win the money back quickly. This is the fastest method to deplete your account.
