Using a shared screen. Let the tutor highlight one small part of the text and then remove the highlight. The learner should have an unobstructed view when taking their turn. Ask the learner to locate the same point on their own copy. A screen pointer can conceal a mismatch between editions.

Planning home practice. Agree with the tutor on one short practice task and a clear stopping point. Put the book and the assignment online Quran tuition UK together so the learner can begin without searching. Ask what the learner actually managed on a busy day. Use that observation to set the next assignment's length.

Keep the two observations separate in the lesson record. If the learner needs help with planning home practice, return to that exercise *virtual quran classes for kids* next time even if the first went smoothly.
