FAQ About Dumpster Rental Service

What is the average cost of dumpster rental in New Braunfels, TX?

The average cost of dumpster rental in New Braunfels typically ranges from \$300 to \$600, depending on the size of the dumpster, rental duration, and type of waste. Additional fees may apply for overweight loads or permits.

How long can I keep a dumpster rental in New Braunfels?

Most dumpster rental companies in New Braunfels allow you to keep the dumpster for 7 to 14 days. However, you can often negotiate extended rental periods for an additional fee.

What size dumpster do I need for a home renovation in New Braunfels?

For a home renovation in New Braunfels, a 10 to 20-yard dumpster is usually recommended. A 10-yard is suitable for small projects, while a 20-yard can accommodate larger renovations or cleaning projects.

What items can I dispose of in a dumpster rental?

In New Braunfels, common items you can dispose of include old furniture, appliances, yard waste, and construction debris. However, hazardous materials like chemicals and tires are typically prohibited.

How do I choose the right dumpster rental company in New Braunfels?

To choose the right dumpster rental company in New Braunfels, compare prices, read customer reviews, check service offerings, and inquire about their disposal methods to ensure they are environmentally responsible.
