For those curious about why this virtual airplane has caught the hearts of Kenyan punters, this detailed guide explores how the game works, techniques players utilize, and how to enjoy it properly.

What is the Aviator Game?

Developed by Spribe, Aviator is a social multiplayer game coming from the "crash game" category. Unlike traditional slots with spinning reels or table games with complex guidelines, Aviator is built around a rising curve that can crash at any time.

The facility is straightforward:

1. **An aircraft removes**, and with it, a multiplier coefficient begins to increase.
2. **Gamers position one or 2 bets** before the round starts.
3. **The objective is to squander** before the fortunate airplane flies away (crashes).
4. If a gamer squanders in time, they win their stake increased by the current coefficient. If the plane flies away before they cash out, the bet is lost.

This mix of timing, psychology, and threat management has made it a staple across nearly every major betting website in Kenya.
