The Top Slot Feature

Above the main cash wheel sits the **Top Slot**, a mini two-reel slot machine that spins simultaneously with every round of the main video game.

- **Reel 1** displays one of the wagering sectors (numbers or bonus offer video games).
- **Reel 2** displays a multiplier (ranging from 2x up to 50x).

If the horizontal reels line up to produce a match, that multiplier is used to the corresponding segment for that spin. If a perk video game is picked and gets a multiplier, all rewards inside that benefit round are multiplied accordingly, causing the video game's huge payout potential.
