Divorce Lawyers Reston VA The Irving Law Firm Fairfax Divorce Attorneys Reston, Virginia, Fairfax County's planned community and one of the premier professional hubs in the Washington DC metropolitan area, is served by The Irving Law Firm - Fairfax Divorce Lawyers for family law matters requiring the expertise and local knowledge that the firm has developed over years of consistent practice in Fairfax County. Reston's tech-sector professional community, its diverse international population, and its mix of condominium, townhome, and single-family housing create a distinctive set of divorce and custody circumstances that the firm is well positioned to address. For Reston technology and government contracting professionals, divorce frequently involves financial complexity that requires careful analysis: stock compensation packages from major employers in the Reston Town Center area, government contractor transition assistance programs with vesting schedules, dual-income [local criminal defense attorney](#) households with overlapping career considerations, and the community's significant representation of foreign nationals and visa holders. The Irving Law Firm addresses the legal dimensions of these circumstances with the thoroughness that complex financial divorce cases require. Reston's significant international community, which includes residents from across Asia, South America, Europe, and other regions, benefits from the firm's bilingual capabilities in English and Spanish. The firm is experienced in serving clients for whom English is a second language and in addressing the cross-cultural dimensions of family law that arise in an internationally diverse community.
