

Great Easton residents have access to Free Fusion's phone and device repair [phone repair](#) services, part of the shop's established coverage throughout the wider Corby area. This small Northamptonshire village benefits from the same professional, UK trained repair expertise available throughout Free Fusion's broader service area. Customers from Great Easton can visit the Corby shop directly or discuss mail in repair options for added convenience given the village's more rural location.

Free Fusion | 62a High Street, Corby, NN17 1UU | 01536 260558

Free Fusion's established reputation, built since 2010, extends naturally to customers throughout these surrounding Northamptonshire communities. For phone repair services from Great Easton, call Free Fusion at 01536 260558.
