

Anyone searching for a Fusion restaurant in Kingsport TN keeps landing on the same name: Fusion at Ridgefields. Located inside Ridgefields Country Club at 2320 Pendragon Rd, the restaurant is open to the public and does not require a club membership to dine. Owners Kathleen and Jaime Joaquin bring more than 36 years of combined experience to the kitchen, blending Tex-Mex, Italian, and American cuisine on a single menu. The result is a restaurant that can serve street tacos and handcrafted pasta at the same table without either feeling out of place. The Thai chicken wings have earned a People's Choice award locally and remain one of the most ordered starters on the menu, a good example of how the kitchen leans into flavor combinations rather than sticking to one cuisine.
