What is a CS: GO Case Battle?

A case battle is a multiplayer variation of conventional case unboxing. Hosted on third-party skin trading and gaming websites, the mode typically works as follows:

1. **Lobby Creation:** Two to 4 players (or teams) contribute funds to enter a lobby.
2. **Case Selection:** Participants select a set of cases to be opened throughout the match. Both players open the precise very same cases.
3. **The Unboxing:** The virtual cases are opened at the same time. The contents of each case scroll across the screen in a thrilling animation.
4. **The Winner:** At the end of all rounds, the total worth of all dropped skins is determined. The player (or team) with the greatest total skin worth takes home **all** the items dropped in the battle.

This winner-takes-all mechanic introduces a layer of excitement, technique, and social interaction that standard unboxing merely can not match.
