2. **Departure:** The airplane launches, and the multiplier coefficient starts ticking up from 1.00 x.
3. **The Flight:** As the airplane climbs up, multipliers increase rapidly. Visual and audio cues intensify to increase the suspense.
4. **The Cash-Out:** The player must by hand strike the "Cash Out" button to secure their current multiplier. If they effectively cash out before the crash, they win their stake multiplied by that figure.
