FAQ About Dumpster Rental

What size dumpster do I need for a home renovation?

For home renovations, a 10 to 20-yard dumpster is usually sufficient. A 10-yard dumpster is great for small projects, while a 20-yard dumpster can handle larger renovations, such as kitchen or bathroom remodels.

How long can I keep a rented dumpster?

Most dumpster rental companies in San Diego allow rentals for a period of 7 to 14 days. However, you can often extend your rental period for an additional fee if more time is needed.

What items are prohibited in dumpsters?

Prohibited items typically include hazardous materials like paint, chemicals, batteries, and electronics. Additionally, some companies do not allow concrete, dirt, or roofing materials. Always check with the rental company for specific guidelines.

Can I place a dumpster on the street in San Diego?

Yes, you can place a dumpster on the street in San Diego, but you will likely need a permit from the city. It's important to check local regulations and possibly notify your neighbors before placing a dumpster on public property.
