Prices are kept simple. An iPhone screen replacement starts from £24.99, and an iPad screen starts from £39.99. The final figure depends on the model, which is why we check the phone first, and for local customers that diagnostic check is free. It means you can walk out knowing exactly what the fault is, even if you decide to think about it before going ahead.

Speed matters when the phone is your alarm clock, your bank card and your map all at once. Most smartphone screen replacements are completed within about an hour at the Corby centre, and we offer same-day service for most repairs. Plenty of people drop the phone off, pop to the shops, and collect it before they have run out of things to do. Repairs are backed by a warranty, so you are covered if something is not right afterwards.

We are independent device specialists with more than a decade of repair experience, not an Apple Store or an authorised service provider, and we are happy to say so. What we offer instead is a straightforward local service with hundreds of five star reviews behind it. Customers come to us from Weldon, Gretton, Stanion, Brigstock, Geddington and beyond, and if you cannot get to Corby we also take postal repairs from across the UK.
