

While paintless dent repair addresses body panel damage from hail, Hail Solutions Paintless Dent Repair can also advise Kansas City metro drivers on coordinating windshield repair when a storm affects glass as well. Hail storms severe enough to dent body panels can sometimes also crack or chip windshields, requiring coordination between paintless dent repair and separate glass repair services. The team's experience with comprehensive insurance claims extends to understanding how windshield damage is typically processed alongside body panel hail damage on the same claim.

Hail Solutions Paintless Dent Repair | 2109 E Kansas City Rd, #22, Olathe, KS 66061 | (816) 451-1455

[Learn more](#) Addressing both body panel and windshield damage together helps drivers complete their full hail damage claim in a more coordinated, efficient manner. For hail damage repair including body panel and coordination advice, call Hail Solutions Paintless Dent Repair at (816) 451-1455.
