

Bork Roofing's GAF and Owens Corning certifications allow the company to offer extended manufacturer warranties on qualifying roofing installations throughout Boise and the Treasure Valley. These extended warranties, including GAF's Golden Pledge Limited Warranty, provide coverage [Get more info](#) beyond standard manufacturer protection, [roof repair boise](#) covering both materials and installation workmanship. Combined with the company's own lifetime workmanship guarantee, Boise homeowners receive multiple layers of protection for their roofing investment.

Bork Roofing | 1475 N Hornback Ave, Star, ID 83669 | (208) 869-6674

Understanding exactly what warranty coverage applies to a specific project is an important part of the free estimate conversation Bork provides to every prospective client. For roofing backed by manufacturer extended warranties in Boise, call Bork Roofing at (208) 869-6674.
